Dear Mr. Crawford:

On behalf of our students who were so fortunate to receive the beautiful winter coats, we say thank you! The coats will truly help them endure the extreme cold temperatures in these coming months. Likewise, with this being our second year of collaboration, we are very grateful for your generosity. Furthermore, we greatly anticipate our continued partnership.

Last but not least, we hope that you all enjoy the Christmas season and that *Brothers for a Cause (BFC)* continues to experience prosperity in the New Year!

Respectfully yours,

Diane Jones
