Brothers For A Cause (BFC), established in 2005, is a non-profit 501© recognized corporation, organized solely for the charitable purposes of providing supportive funds and resources to improve the life and work skills of the economically disadvantaged. Amongst the educational and charitable purposes for which the Corporation is organized, is to promote and improve community buildings, economic development, education, health and human services for children, youths, families and other organizations that serve the disadvantaged needs. In the past, the success of our events has largely been through fundraisers and contributions of our sponsors who have gone out of their way to lend financial support to our events. Every year the money we raised has been donated to the cause of serving the community. The proceeds from this event will allow BFC to further support the community needs. We hope this year you would support this event by joining hands with us as a sponsor or participant. As a sponsor, your organization will receive exposure from media campaigns and all promotions for the event. You will also gain exposure from the audience attending.
